STUDY MATERIAL

**Self made simple study material
keeping in mind students comfort and ease**

- Each chapter is divided into sessions followed by Class Exercise (CE) & Home Exercise (HE).
- At the end of each chapter we give them mixed questions which are divided into
 - a) LEVEL-I Introductory Questions.
 - b) LEVEL-II: NEET/JEE Main Level
 - c) LEVEL-III: AIIMS / JEE Advanced Level
- We make them solve previous year Question Papers of JEE/NEET so that they come to know as to where they stand which inturn boosts their confidence & are motivated to do even better.4. Also we provide them with separate State Board Material so as to ease them in their learning process.

TESTING PATTERN

Tests Include :

- Fortnightly test on current topic to assess student understanding of the subject.
- Monthly test on previous topics which helps to retain old concepts while moving ahead.
- Unit wise 12 revision tests at the end of syllabus which helps students to revise complete syllabus of JEE/NEET.
- 50 Test papers on full syllabus along with the discussion of the same before their JEE/NEET exam, which makes the students completely ready and confident to appear in the final exam.
- Also, along with this we test them chapter wise on their board syllabus.
3 sets of papers including there optional subjects are taken up right before their final 12th Board exam, so as to give them writing practice for their board exam as well.
